

Camping

bridgeport state park

located on the north shore of rufus woods lake just upstream of chief joseph dam, campsites available include 30 paved sites which also accommodate tenting. twenty of those sites have electric and water hookups. an rv dump station is located nearby. there are also 4 walk-in tent sites.

these campsites are available on a first come/first served basis. there is 1 group camping site that will accommodate up to 90 people. to reserve that site, contact the park directly at the local number below.

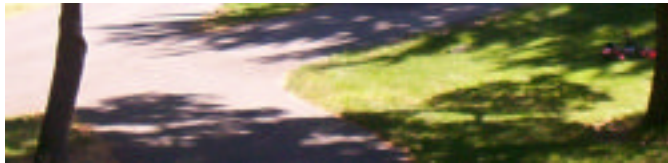

the park is open seasonally each year from about april 1st thru october 31st. the boat ramp is open from march 1st thru november 30th.

facilities include the lake woods golf course, a boat ramp, a swim beach, and a picnic area. the north shore trail extends 2 1/2 miles from the dunes trailhead at the park boundary to connect with chief joseph dam's visitor route and all the way to the orientation area.

on saturdays, during the summer season extending from memorial day through labor day, rangers from the us army corps of engineers present interpretive programs in the park amphitheatre. [diagram of the park.](#)

directions: starting from wa highway 17, just north of the columbia river bridge which is below chief joseph dam. take the first right and drive 2.4 miles east, pass the golf course and enter into the campground.
